

Promotional Counter

Folds down neatly into a carry bag.
Solid table top with printed graphics attached to the front. A terrific product to use in conjunction with the Expo Easy Wall at your next promotional event.

Expo Easy Wall

High impact low cost. Great for your next trade show or exhibition.
The Expo Easy Wall can span from 1200mm wide to whatever width you desire.

The horizontal graphic sections come in 1000mm or 1500mm wide sections.
Simply roll your graphical print up and down like a blind. Interchange your graphics.
This all packs into neat carry bags. The height can vary from 1.5m up to 2.1m high.
Print single or double side. Halogen lights are included in the package to add that professional finish.
