

Light Boxes

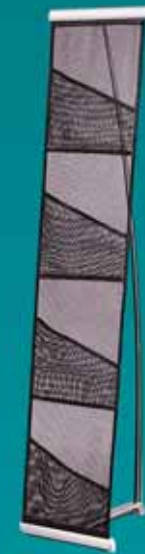

Brighten up your "front of house" with freestanding or slimline hanging light boxes. Will ensure your business stands out in dark times.

BROCHURE HOLDER WITH TABLE TOP

ALUMINIUM BROCHURE HOLDER

MESH BROCHURE HOLDER

Clip Panel System

A different effect for your next promotion. Extend from three panels up to how many you desire. The panels are able to accommodate a variety of graphics. Change your message anytime quickly and inexpensively. All fold down so you can pick up and move onto your next event.

Brochure Holders

Choose from a number of different options. Comes in ultra lightweight mesh or aluminium or aluminium and perspex. Plus you can also choose to have one with a table top. Terrific for a contact point area at your next trade show or exhibition. They all fold away neatly into carry cases and bags.
